

Numbers

Thanks to our speech language therapists there are currently 110 children in the study who are receiving/have received treatment.

If we continue like this, we expect to reach the target number of children by the end of December 2025.

Dinner with the SLT's

In May the speech language therapists of TreatPaCS got together at a nice dinner. It was very nice to see everyone again and share all the experiences with each other!

Thank you for your interest in the TreatPaCS study!
